

Introduction

The Training & Placement Committee of Smt. K.L. Tiwari Degree College continued to bridge the gap between academic learning and industry expectations through career guidance programmes, skill development initiatives, internships, industry interactions and campus recruitment activities. Throughout the academic year, the committee focused on improving employability, communication skills, interview readiness and placement opportunities for students across all streams.

Objectives

- To enhance employability skills through training sessions.
- To provide career guidance and industry exposure.
- To facilitate internships and campus placements.
- To develop communication, aptitude and interview skills.
- To strengthen industry-academia collaboration.
