

## Introduction

The Training & Placement Cell of **Smt. K. L. Tiwari Degree College of Commerce & Science** continued its dedicated efforts towards preparing students for successful careers by strengthening the connection between academic learning and industry expectations. Throughout the academic year 2025–26, the Cell focused on enhancing students' employability through career guidance, skill development programmes, industry interactions, certification courses, internships, and placement assistance.

Working under the guidance of the Principal and in collaboration with reputed training partners and industry experts, the Cell organized various workshops, seminars, awareness programmes, and personality development initiatives to equip students with the technical knowledge, professional competencies, and confidence required in today's competitive job market.

## Objectives

- To enhance students' employability through structured training programmes.
- To provide career guidance and industry exposure.
- To facilitate internships, certification courses, and placement opportunities.
- To strengthen students' communication, aptitude, soft skills, and interview readiness.
- To establish meaningful collaborations with industries and professional organizations.

| 2       | 05-08-2025              | TNS Orientation Program                 | 46                    |
| 3       | 10/09/2025 - 11/09/2025 | I Tech Solution career guidance program | 58                    |
| 4       | 11-11-2025              | SAGE foundation                         | 39                    |
| 5       | 10-11-2025              | Kaushal - Skills development Program    | 47                    |
| 6       | 22-01-2026              | Personality development                 | 117                   |

## Outcomes of the event:

The programmes conducted during the academic year resulted in significant improvements in students' career readiness and professional development.

- Students developed greater awareness of career opportunities across various industries.
- Cyber security awareness programmes strengthened students' understanding of digital safety and responsible online practices.
- Career guidance sessions motivated students to pursue certification courses, internships, and industry-oriented training.
- Participants acquired valuable knowledge about warehouse operations, logistics, and supply chain management through the Kaushal Training Programme.
- The BFSI awareness programme introduced students to career opportunities in the Banking, Financial Services and Insurance sector while highlighting the competencies required by employers.
- Personality Development sessions enhanced communication skills, self-confidence, presentation skills, and interview preparedness.
- Overall student participation reflected growing interest in employability enhancement initiatives and professional skill development.

Based on the placement records for Academic Year 2025–26, a total of 5 student placement records were documented. Students secured opportunities in banking, finance, IT, sales, hospitality, education and other sectors through campus recruitment and placement support.
